**To: Potential Donors**

**Subject: Charitable Donations to Woodland Soccer Club.**

We gratefully accept charitable contributions to assist us in operating and expanding our programs and their benefits for youth soccer players of the Woodland area. Woodland Soccer Club is incorporated under federal tax-identification number 20-8895234. The Internal Revenue Service has determined that the club is "exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code" and is a "public charity," as of November 6, 2007.

Our mission is to develop quality youth soccer players who learn to play and enjoy soccer throughout their lives. We are seeking donations for several of our club programs for the purpose to solely benefit boys and girls under the age of 19.

**Scholarship Program.** Woodland Soccer Club seeks to attract and retain quality players from all communities and neighborhoods in the Woodland area. To ensure that all deserving players, both girls and boys, are able to participate on our teams, we wish to substantially expand our scholarship program. We want to make sure all deserving players, regardless of economic background, can participate on our teams.

**Field-development Program.** Woodland Soccer Club seeks to substantially improve the quality and availability of soccer fields for practices and games. We are raising funds for a field-development program in partnership with the City of Woodland Parks and Recreation to expand and improve soccer fields for youth players.

**Individual Teams.** Donations are also accepted to benefit individual teams in our club.
